

MELAP

MEDICAL-EDUCATION & LEARNING POINT

TRAINING PROGRAM ISO 15189:2022

Medical laboratory accreditation and
quality systems

The ISO 15189:2022 Training Program is a structured, practice-driven course designed for healthcare professionals, lab technicians, and postgraduate students aiming to understand and implement internationally recognized laboratory quality standards.

Led by Dr. Neeraj Jain, a national expert in medical laboratory accreditation, the program covers every essential aspect—right from foundational principles to internal auditing and risk management.

Dr Neeraj Jain

Pathologist, Educator &
National Faculty for ISO 15189

President - MELAP

About the PROGRAM
